61/21AS	Minutes of the Previous Meeting Councillor noted the minutes of the meeting 15 November 2022.
62/21AS	Updates from the Clerk <ul style="list-style-type: none">a) The Clerk reported that the Men's Sheds have painted the door and erect their sign .b) The Clerk reported that the underground survey has been commissioned at a cost of £1530 of Saxmundham's Memorial Field and she was waiting for the company to confirm a date.c) Councillor Hawkins reported that the bins have been installed on Rendham road and Fromus Green.d) The Clerk reported that she was still awaiting feedback on what additional items Saxmundham can purchase from the Welcome back fund. The Council has already purchased 2 gazebos and fly flags for the Market Hall.e) The Clerk apologised for not including the site maintenance plans on the agenda and agreed that these would be included at the next meeting
63/21AS	Report on the Environmental Co-ordinators Activities <p>This Autumn the Green Team volunteers have cleared weeds at the Gannon Rooms, removed arisings from the annual mow areas at Memorial Field and planted bulbs at Town House, North Entrance and in pots about town.</p> <p>The Environment Co-ordinator has organised a volunteer walk on the 7th Dec, a Community Litter Pick on 3rd Jan 2022, 10-11.30am and Wildflower Seed Sowing Workshops at the Market Hall Tuesday 15th Feb.</p> The Committee discussed a proposal from the Environment Co-Ordinator for unkempt pockets of land within the Town <p>It was noted that there are several small pockets of land, often near bins etc, that the Town Council receive regular queries and complaints about regarding weeds, lack of maintenance.</p> <p>It was agreed that these areas could be mapped, and proposal be developed for the consideration of the Town Council. The suggestion was that they could be given engaging names with some unifying branding. This would create different habitats in the Town and then wildlife themed walk could be created between them. Councillors agreed that any money remaining in the Sax in Bloom budget should be used for plants to complete the station planting scheme.</p>
64/21AS	Memorial Field Landscape Project <ul style="list-style-type: none">a) The Environment Co-Ordinator has applied to the Woodland Trust for trees and hedging trees (Funded by the Queens Green Canopy and Big Climate Fight back). If successful they will be

It was agreed that the hedging would be allocated to Seaman Ave/Memorial Field ditch. Chantry Rd chain link fence plus a few to plant as specimens on The Rendham Rd boundary, and Memorial Field. The Green Team volunteers plus Cyds and Scouts would be involved in the planting and watering will have to be done by contractors.</p> <p>RESOLVED: That the Committee allocate £700 from the general maintenance fund for tree planting and the responsibility for purchase be delegated to the Clerk, the Environment Co-ordinator, and Chair of the Memorial Field Working Group.</p> <p>b) The Committee discussed the budget and plans for first phase project landscaping. The difficulty of securing permissions for widening the from highways was noted. The Committee discounted the idea of employing a private highways designer. The Clerk and Chair agreed to chase the Suffolk Highways department for their views and cost of design works. The Committee agreed to consider working within the current entrance area so that highways permissions were not required. The Chair and the Clerk agreed to meet with current users of the field to ascertain how the field is currently used and what improvements are needed. The Clerk suggested that an indicative budget of £750 be allocated for the designing of soft landscaping area at the entrance. The Clerk was also asked to consult with local stone mason for ideas for resetting the existing memorial stone.</p> <p>c) The Committee approved the proposed gate designs that had been sent out for quotes. The Clerk reported that they have been sent to 5 local companies and that only one company had responded.</p> <p>d) The Committee noted that they had received the information for the new Memorial Field signage. It was suggested that the text needs to be edited for the display boards and layout designed with pictures.</p> <p>RESOLVED: That the Committee allocate £1000 for the design and production of the new signage.</p>
65/21AS	<p>Request from Men's Sheds The Committee decided that there were not sufficient funds for the floor insulation of the interior of the Men's sheds this year. The Clerk was asked to discuss the issues with the group.</p>
66/21AS	<p>Town House The Committee noted that additional storage was required at the Town House. RESOLVED: That the Committee allocate £500 for new gates and improvements to storage at the rear of the building</p>
67/21AS	<p>Town Gateways The Clerk reported that she was still waiting for a response from highways. It was suggested that she escalates the matter to the local Count Councillor.</p>
68/21AS	<p>Street Furniture Requests: None received</p>
71/21AS	<p>Correspondence – The correspondence about maintenance on the land between Fairfield Rd to Henley Close was noted</p>

The meeting closed at 7.46 p.m.
