### Visitor Economy Support Scheme

Representatives from East Suffolk Council's Economic Development Team attended the meeting and outlined the role of their team and the scope of the Visitor Economy Support Scheme (VESS). They explained that a specific budget has been allocated to each market town, and they are keen to use these funds to support projects that reflect local priorities. The VESS scheme particularly encourages new, locally led pilot projects that unlock opportunities to support the visitor economy.

The Committee then received a report from the Town Clerk outlining project ideas previously discussed with the team. Following exploration of further ideas for potential funding, the Committee **unanimously resolved** to progress an application comprising:

- Commissioning a professional illustrator to produce four bespoke hand-drawn images of Saxmundham landmarks, supplied as high-resolution digital files with a standard commercial licence for use across the new destination website and town signage. (*Annual Delivery Plan 1.2*)
- Commissioning new directional signage for Fromus Square and the supermarket areas to encourage visitors to explore the town centre and Fromus Green. (*Annual Delivery Plan 1.5*)
- Developing a proposal for an iron archway sign linking Fromus Square to the High Street.

During discussion on the town's wider economic development, the ESC representatives proposed commissioning Suffolk Market Events to undertake a professional audit and review of Saxmundham's markets. The audit would include a site visit and a written report providing recommendations to revitalise the markets and strengthen their contribution to the town's visitor economy. It was noted that Suffolk Market Events have undertaken similar work for Halesworth and Beccles Town Councils, and that ESC has offered to cover the cost of the audit, which could also include consideration of the Market Hall as a potential market venue within its scope. The Committee received the proposal favourably and it was **unanimously resolved** that the Town Clerk should progress arrangements for the audit in partnership with East Suffolk Council. (*Annual Delivery Plan 2.4*)

**26/25CC Annual Delivery Plan**

The Committee reviewed progress against the current year's Annual Delivery Plan and agreed that outstanding actions would be carried forward to the next year's plan. The Town Clerk reported that Sax Community Fest intends to extend its programme to include a Sunday and proposed that the Town Council provide entertainment on that day, making use of the infrastructure already in place. The Committee received the proposal positively and supported the suggestion in principle.

**27/25CC Christmas Fayre**

The Committee received an update about plans for the Christmas Fayre. The Town Clerk raised concerns regarding the level of staff time currently required to resource the event, noting that it appears to be taking up most of the Community Officer's 20 contracted hours per week in the three months leading up to the Fayre. Members agreed that this level of input is disproportionate for a four-hour event and that resourcing requirements for future years will need to be carefully considered and monitored. It was also noted that lessons should be learned from this year's planning process to build more effectively upon work carried out for previous events, streamlining preparation in future.

Cllr Geraldine Barker suggested that Cllr Georgina Burns might be able to assist next year, drawing on her professional skills and experience in organising large theatrical events. Cllr Burns welcomed the proposal in principle, subject to her time and availability given her other commitments. (*Annual Delivery Plan 3.11*)

**28/25CC Finance**

- a) The Committee noted the budget versus actual and expenditure report to 31<sup>st</sup> October 2025.
- b) It was **unanimously resolved** to ratify expenditure for the Remembrance Sunday commemoration events.

**29/25CC Community Grants**

- a) The Committee noted the five-year Grants Awarded Report. (*Annual Delivery Plan 3.9*)
- b) An application for £50 from the Women's Institute for £50 to support the Remembrance Sunday events was considered. It was **unanimously resolved** to approve the grant request in full.
- c) An application from Greener Sax Community Garden for £2,000 to carry out tree surgery at the Community Garden was considered. It was **resolved by majority** to approve the grant request in

full.

- d) An application from the Art Station for £5,000 towards Sax Arts Fest 2026 was considered. It was **unanimously resolved** to approve the grant request in full.

**30/25CC Policies**

It was **unanimously resolved** to approve the annual review of the Community Events Policy and recommend it to Full Council for approval.

**31/25CC Next Meeting**

The Committee noted that the next meeting is scheduled for Thursday 8<sup>th</sup> January 2026 at 11:30 am.

The meeting closed at 1:30 pm

## The River Fromas

Set in the valley of the River Fromas – a tributary of the Aids, Saxmundham has possessed a market charter since 1272 AD right up to the present day, with a market held every Wednesday.

There are a wide variety of buildings to be seen in the town including many from the Victorian and Georgian eras and even a few which date back to Tudor times. When the BBC House Detectives visited Monks Cottages they uncovered many original Tudor features including stud work, plaster and honestair reinforced walls as well as inglenook fireplaces, ornate carved oak beams and large oak floor boards.

## 2. Project Information

**Project Title:** Saxmundham Community Festival (Known locally as Sax Fest)

**Project Start Date:** Friday 7<sup>th</sup> August 2026

**Project End Date:** Saturday 8<sup>th</sup> August 2026

**Describe the project and its objectives:**

Dear Councillors,

Saxmundham Music & Arts CIC would like to apply for a Town Council grant of £5,000 to support our social media and digital promotion costs for 2026.

Our free-entry community events continue to bring together residents, families, and visitors to celebrate local music, creativity, and culture. These events provide significant social and economic benefits to the town — supporting local traders, boosting footfall, and strengthening Saxmundham's identity as a vibrant and inclusive community hub. A selection of various organisations and agencies are involved to support local people by signposting the key support available in the community as shown above. In addition, for the families, there will be free music workshops, free circus skills workshops, free ballon modelling and free fun magic shows. The District Council BeWell bus will be in attendance supplying information on local health checks, green schemes, food distribution help and many other projects. There is also a private consultation room at the rear of the bus.

As you are probably aware we are currently in receipt of a three-year grant from Sizewell C, which supports our core event delivery. However, the social media and marketing element was not included in that grant calculation, and these costs have grown significantly as we expand our reach

and engagement. Effective digital promotion is essential to maintain attendance levels and ensure the ongoing success of our free-entry programme.

A contribution from Saxmundham Town Council would demonstrate valuable local authority support for a major event that directly benefits the community and aligns with the Council's aims of supporting arts, culture, and community wellbeing.

We would be delighted to acknowledge the Council's support publicly across our marketing channels and at our events.

Thank you for considering this request. We would welcome the opportunity to discuss it further or provide any additional information you may require.

### **How will this project benefit Saxmundham residents?**

The event is a showcase of the town's diversity and traditions. It allows a number of local people to volunteer and become part of the largest annual event in the IP17 area. There is always a buzz around the town during the weekend it takes place, as whole families and individuals living in Saxmundham and the surrounding area gather to attend the festivities. Sax Fest creates a space where new and existing residents can interact through shared experiences, the festival reduces social tensions and fosters a sense of belonging. This approach is aligned with the identified need for activities that support mental wellbeing and community resilience. Events that focus on well-being, such as mindfulness sessions, arts and crafts, or music therapy, can provide much-needed mental and emotional support. The festival is free and attracts some 1500 to over 2000 people over the two-day period. So that no-one is disadvantaged by low/no income it is a free entry, free workshops and affordable by all. We energise people, offer them new ways of local engagement, enjoyment and promote local community participation. We focus on economic support, community cohesion, environmental awareness, and infrastructure advocacy.

### **Who will benefit from the project? (e.g., number of residents, target groups)**

The project will benefit a wide cross-section of the Saxmundham community and surrounding areas, including:

- Local residents and their visiting families: Around 3,000–4,000 attendees are expected across our new three day free-entry events in 2026, the majority from Saxmundham and neighbouring villages.
- Young people and families: Our events provide safe and secure inclusive spaces for young people to enjoy live music and creative activities.

- Older residents: Many older residents attend and volunteer at our events, helping to reduce isolation and promote intergenerational connection.
- Local musicians, artists, and performers: We showcase emerging local talent, offering performance and exposure opportunities that are otherwise limited in rural areas.
- Local businesses and traders: Increased visitor numbers during our events bring footfall and economic benefit to the town centre, cafés, and shops.
- Community volunteers: Over 20 volunteers take part annually in event delivery, gaining experience, skills, and community pride.

By supporting our social media and promotional activities, the Town Council will help ensure greater community engagement, broader participation, and continued access to free cultural events for everyone in Saxmundham.

**Have you received funding from Saxmundham Town Council before? (Yes)**

**If yes, please provide details:**

Saxmundham Music & Arts have received a welcomed annual grant for the Town Council from inception of the event.

### **3. Financial Information**

**Total Cost of Project:** £40,000

**Amount of Grant Requested:** £5000.

The grant will be used for professional local Social Media organisation. The grant and support from Sax Town Council over the years since our inception was explained in the Sizewell application in 2024. We explained that we have continual dialogue with all our stakeholders, to ensure total solidarity in this event over the long term with a view to sustain it. This grant is to pay for these facilities to outside agencies. This cost was not factored in to the Sizewell budget. The Sax Fest team is very small on the governance side. The object is to sustain the event over a period of the three years, take on board other younger personnel to maintain the legacy of Sax Fest. Sizewell grant team stated they also appreciate the support by local authorities for future strengthened commitment and sustainability.

**Breakdown of Costs (please provide details):**

In the process of being drawn up. Expected to be approx. £43,000 for infrastructure and running of event. Volunteers and directors are not paid.

**Have you applied for funding from other sources? (Yes)**

**If yes, please provide details:**

No

**Will you still proceed with the project if only partial funding is received? (Yes, with reduced professional approach))**
